**THIS DIRECTIVE SHALL SERVE AS THE COMMISSION'S ORDER ON THIS ISSUE.**

**SUBJECT:**

DOCKET NO. 2019-209-E - South Carolina Energy Freedom Act (House Bill 3659) Proceeding Related to Dominion Energy South Carolina, Incorporated and S.C. Code Ann. Section 58-41-30 Related to Electrical Utilities and Their Current Voluntary Renewable Energy Program, and Such Other Proceedings Required by the Commission - Staff Presents for Commission Consideration the Office of Regulatory Staff's Request to Hold Dominion Energy South Carolina, Incorporated's Request in Abeyance Pending Discovery and South Carolina Solar Business Alliance, Incorporated's Request for the Commission to Allow Participation in a Proceeding.

**COMMISSION ACTION:**

By letter dated September 13, 2019, Dominion Energy requested that the Commission authorize it to implement the VRE Rider filed in this docket based on the record before the Commission and at the Commission's "earliest convenience."

The Office of Regulatory Staff states that it is in the process of reviewing this matter and intends to issue discovery to Dominion. ORS requests that the Commission allow it time to receive and review the responses to such discovery and submit a recommendation to the Commission before the Commission rules on the request.

I move that we Grant the Office of Regulatory Staff's request to hold this matter in abeyance pending discovery, at which time ORS has committed to submitting a recommendation to the Commission. After review of their recommendation, the Commission will rule on all parties' requests regarding the proceeding.
